

New Energy Options is in Littleton, Mass, at the intersection of Rt119 and 1495.

KING STREET

From the South take Mass Pike or Rt 2 to 495 North. Take Exit 31. At the end of the offramp turn left and then drive up the hill and turn into the parking lot on the right, just before the traffic light (next to the chain link fence behind "Bob's Solid Dak".)

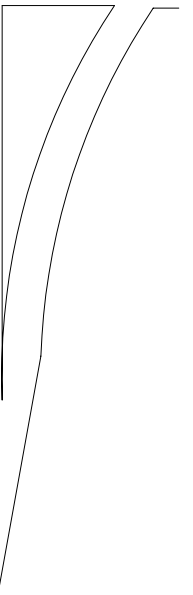

From the North travel South on 1495 and take exit 31. At the end of the offramp turn right and cross over 495. Drive up the hill and turn into the parking lot on the right, just before the traffic light (next to the chain link fence behind "Bob's Solid Dak".)

There are reserved parking signs in the upper lot however New Energy Options and its visitors have permission to park in any of these spots. If the upper lot is full, park in the lower lot and follow the directions to New Energy Options.
